

**Workshop at the Peoples' Climate Summit 2017
"No Jobs on a Dead Planet – Ensuring a Just Energy Transition"**

Friedrich-Ebert-Stiftung (FES) with Bread for the World (BftW)

Peoples' Climate Summit at COP 23
Gustav-Stresemann-Institut (GSI)
Langer Grabenweg 68, 53175 Bonn

Tuesday, November 7th, 09:30 am – 12:00 am

Sustainable Development cannot be achieved without addressing climate change and the much needed transformation of our energy systems. A just transition towards a low carbon economy can prevent unemployment and social distress and can have many positive social co-benefits. Principles and indicators of a just energy transition as well as good practice examples and experiences from the Global South will be presented and discussed.
