## Application for online course

### Countering Wage Theft with Union Tech: A Practical Course on the Power of Data-Enabled Campaigning 1 March – 31 May 2022, 6 workshops

#### Participant

Salutation Mr / Ms / Mx

Language(s) spoken:\*

Given Name\*

Family Name\*

City / Country\*

E-Mail\*

Union Membership / Organization\*

Role/Function in Union / Organization\*

#### To submit your application, please answer the following questions:

Why do you / does your union want to participate?\*

What working time/wage theft problem/campaign do you want to work on?\*

Identifying and running a data driven campaign requires some support and advice from policy staff, organisers and/or communication staff. Is this support available to you in the project?\*

Yes, we have discussed our participation  
and commitment to this course.

No, I will be doing this alone.

What is your experience with data-driven campaigns?\*

1 = no experience at all

2

3 = some experience

4

5 = super experienced

\* All fields are mandatory to be filled in.

**Closing date for application is 12 January 2022. Candidates will be selected by 15 January 2022.**

The course will run from **1 March (first session) to 31 May 2022 (last session)**. The other workshops are likely to take place on Tuesdays (1.30 PM CET), dates to be confirmed in January.

#### Conditions for participation:

- **Participants must be able to commit to all six workshops**
- Recordings can be made available as an exception
- Participation is free of charge. A certificate of participation is issued upon completion of the course
- Applications are accepted via email to [unionstransform@fes.de](mailto:unionstransform@fes.de).
